

JDC 506: Water Resistant White Film Matte 6 mil

Description

A 6mil opaque roll up polyester display film with a black coating that blocks out light and provides 100% opacity. It is an economical choice for trade shows and point-of-purchase graphics that will be mounted on booths and retractable displays.

Features and Applications

- Produces vibrant colours
- Doesn't show fingerprints
- Resistant to scratching and abrasion
- Works well with both pressure sensitive and hot lamination
- Point of Purchase Displays
- Roll up banner stands
- Pop-Up Display Booths
